### Application Method

#### 1. *Direct Qualification from Regional, State or National Science Fairs*

Teams can be nominated by affiliated science fairs. Please contact your regional/state/national science fair for nomination.

#### 2. *Individual Applications*

For teams which cannot get nomination from affiliated science fairs, they can submit their reports and be considered by our Selection Committee. The teams are required to be awarded in regional, state or national science fairs. A proof, such as certificate, should be provided.

For detailed information about Individual Application, please refer to the following files in this Information Pack:

1. Schedule of HKSSPC 2019
2. Project registration
3. Project requirements and judging criteria
4. Arrangements of project setup, presentation and exhibition
5. Accommodations arrangements

If you are interested in joining HKSSPC 2019, please remember to complete the project registration process before HKT (GMT+8) 23:59 on 13 November 2018. The registration process will take about 20 minutes, please reserve enough time for it.
