

Project Registration (Individual Application)

To enroll for HKSSPC 2019, you have to register your project through our online system **before HKT (GMT+8) 23:59 on 13 November 2018**. The registration process includes 2 steps and takes about 20 minutes. The registration steps are shown as follows:

1. Register Project Details

- Please visit <http://hksspc.hkfyg.org.hk> and click Online Enrollment (Non-HK Students) on the right hand side.
- Input the required information.
- At the bottom of the registration form, please choose “No” for the question “Is your entry nominated by our affiliated science fairs?”.
- Please enter the prizes which your entry was awarded in any regional, state or national science fairs
- Click “Submit and Proceed to Next Step (Project Upload)”
- You will be directed to the “Enrollment Received” page. Please save this page.

2. Project Upload

- A confirmation email has been sent to the email address that you provided. Please copy the login password appeared in the confirmation email.
- Click the Project Upload link in the confirmation email or on the “Enrollment Received” page.
- Paste the login password to the input field and click “Submit”.
- After login, you can view your Team Number and the information that you have submitted. Choose the files of your abstract and report for upload.
- Please upload certificates of the prizes which you entered in the registration form.
- You will see the file name when the file is successfully uploaded. If you wish to replace it with another file, you can simply upload another file to the system.

- The specific requirements of the required items are as follows:

Invention	Investigation
Parts A and B submitted should be typed, double-spaced, 10 – 12 pt, Times New Roman font or similar font.
