## **Project Registration**

Congratulations! You have been nominated by one of our affiliated science fairs to join the Hong Kong Student Science Project Competition 2020. To accept the nomination, you have to register your project through our online system **before HKT (GMT+8) 23:59 on 13 November 2019**. The registration process includes 2 steps and takes around 20 minutes. The registration steps are shown as follows:

### **1. Register Project Details**

- Please visit <http://hksspc.hkfyg.org.hk> and click **Online Enrollment (Non-HK Students)** on the right hand side
- Input all required information
- At the bottom of the registration form, please choose “No” for the question “Is your entry nominated by our affiliated science fairs?”
- Click “Submit and Proceed to Next Step (Project Upload)”
- You will be directed to the “Enrollment Received” page. Please save this page.

### **2. Project Upload**

- The login account and password for Project Upload will be the student leader’s email and teacher guide’s email respectively.
- Click the Project Upload link on the Enrollment Received page.
- After login, you can view your Team Number and the information that you have submitted. Choose the files of your abstract, report and certificate(s) for upload.
- You will see the file name when the file is successfully uploaded. If you wish to replace it with another file, you can simply upload another file to the system.
