

# *Hong Kong* **Student Science Project Competition** **香港學生科學比賽 2020**

## **Arrangements of Project Setup, Presentation and Exhibition**

Please read the following detailed arrangement thoroughly, so that you can better prepare for the project setup and presentation.

### **Project Setup**

1. Teams are required to set up their exhibition booths from 3:00 - 4:30 p.m. on 20 March (Friday). Time will not be allowed for set up on 21 March (Saturday).
2. An exhibition board with size of 3 feet (W) x 7 feet (H) and a table of 2 feet (W) x 3 feet (L) will be provided for each team to display the project. Teams are required to bring their own stationery including removable adhesive tape or blu-tack for fixing their board display (e.g. Poster). Stapler or nailer could not be used. Teams that violated the rules of setting up will be required to discard the setting.
3. Team number would be shown on the exhibition board, in order to let judges clearly read the numbers. It should not be moved or covered. The booth setting is shown below.

### **Project Presentation and Exhibition**

1. Project presentation and exhibition will be taken place in the Hong Kong Science Park on 21 March (Saturday) from 9:00 a.m. to 5:00 p.m.
2. Team members need to present the project to the judges at the exhibition booth. The full team should be there to do the presentation and answer the questions by judges. Each team will be judged by a judging panel consisted of at least two judges.
3. Each team will be given 5 minutes for presenting the projects to judges and 4 minutes for Q&A session.

4. Presentation language will be English ONLY.
5. This is an open exhibition. Teams are required to introduce their projects to visitors besides judges.
6. Teams are required to use their own laptops for presentation and have to ensure that the batteries of their laptops are fully charged. There will be a charging area for teams to charge their batteries of laptops.
7. Please read carefully and follow the rules for booth set-up. If teams violate the set-up rules, they will be requested to discard their board display.
8. Be polite and keep your voice low. Do not disturb other teams at the hall / conference room.
9. Avoid touching the project materials of other teams to prevent damage.
10. Teams should beware of members' safety at the indoor exhibition site.
11. Do not eat and drink at the exhibition areas but in the area assigned by the Organizers.
12. Please take good care of your belongings and avoid bringing along valuable items.

### **Dress Code**

On the day of project presentation and exhibition (21 March), please wear traditional national costume or school uniform. Teams may be invited to join the ceremony on stage, so you are strongly advised to wear traditional national costume in order to have better cultural exchange. Teams need to wear the HKSSPC T-shirt during the visits on 22 and 23 March.
